- June 19** SEARCH Convention.
- June 20** One day pre-camp Staff training session
- June 22-26** AUC ABC week

"EG Ministries, Inc."

The name has changed. Yes, September 13, 2008 was the official change of the name of this ministry. The first Explorer Girls' meeting was held on Monday, September 13, 1982 at Aldan Union Church. The ministry grew and was incorporated under the name of Explorer Girls, Inc.

EG Ministries, Inc. is the home of Explorer Girls and also Xtreme Xplorers. Explorer Girls still exists. Explorer Girls will always be our main ministry. Beginning meetings in churches for girls and women is our purpose and goal and always will be.

The new part of our ministry is that we have re-written our excellent Bible curriculum to be available for a co-ed after school ministry, or for a weekday boys' group, or for a Sunday School or DVBS ministry. This new addition is called Xtreme Xplorers. The material is available for purchase and will be presented in June at the SEARCH Convention—a home school convention—in Souderton PA. We are looking forward to seeing how this material will be received and who will benefit from the truth that is written in the pages.

An excellent resource manual has also been prepared that has a variety of activities written for parents or teachers to use with youth from 4 years old through 18.

Yes, we are still growing and we are grateful for the way God is still leading and directing us. Thank you for your prayers and your financial support.
