## "Trustworthy"

My God IS trustworthy—He IS dependable. He is always working on my behalf to produce His character in me. I know He is working within the lives of the girls and women with whom I minister because many have shared stories with me about God's provision and guidance for them.

I want to show you God's faithfulness to me through a picture gallery of events that have taken place within the past three months.

Needless to say, I can't do this alone. I need your prayers and financial support in my life. Thank you for praying for me and writing to me and being part of my life. I pray that you personally may experience, as I have, the trustworthy nature of God. Love lots,

JK

Camp staff training days were well attended. We are fully staffed.

Lots of bargains; many satisfied customers; fun with EG workers; & funding for EG, Inc.—a really fun day.

Celebrating with the EG graduates from AUC.

I taught a Bible study for six weeks in Frederick PA. It was a special time for me.
