### “He is MY help...”

My Heavenly Father is an ever present help to me in all of my life. Many things have happened since I wrote to you in the spring. I was involved in several retreats in April. At AUC, we graduated 7 seniors from EG's. I planned and conducted two camp training sessions for this year's staff—one in May and one in June. We are fully staffed and looking forward to having more than 80 girls attend our one week of camp from August 2-8. I was involved in VBS (ABC) at AUC for one week in June.

We have new churches interested in beginning the club ministry in September. One of our current ministries is continuing all summer and I will visit it in early July.

Another milestone has taken place. We have completed a curriculum that can be used in a co-ed ministry in churches or with a boys' ministry. It is an excellent Bible-based activity oriented curriculum. It is now available. So many exciting things are happening. Thanks for standing with me in this ministry.
