"Thanks!"

"THANKS" seems like a very simple word but when I say it to you—I mean it from the bottom of my heart. I am by nature a thankful person. I am grateful for all that I receive from each person who is in my life. Some of you give me your time and energy to work on projects. Others send me notes that cheer me. Still others contribute financially to my support while others pray for me. I thank you for every expression of your love and concern for me. I thank you that you are willing to be a part of my life and ministry.

I give thanks to the Lord for you. My God is so good to me and He not only loves me forever but He enriches my life by those who are in touch with me.

I pray that this **Thanksgiving**, **Christmas**, and **New Year** will be special for you as you spend time with those who love you. THANKS for all you do for me!

Love lots, JK

I am thanking the Lord for:

...those of you who gave contributions toward our one week camp ministry.

Some of the money was used to fly these three girls and their leader from Atlanta GA and also pay for everything they needed for the entire week including money to spend in the Tuck Shop. Thank you for giving.

I am thanking the Lord for:

...a new car that He gave me in answer to prayer.
(Ask me to tell you this incredible story sometime.)
