JK's Jottings

"...The plans of the Lord stand firm forever, the purposes of His heart through all generations."

Psalm 33:11

Training with the Junior Leaders from camp went well in February. We have seven girls who are interested in learning to be leaders to serve with us.

Moving Forward!!

We are encouraged to make plans so that we can move ahead and be successful in life. We plan what will happen at work and in our personal lives. Many times those plans do work out for our best. But there are times when we plan things and they do not happen.

For example, I had plans that were to happen in January and early February this year but God's plans for me were to lay me aside with pneumonia for several weeks. One person called it my "personal unscheduled vacation". I can't say that I would call it "vacation" but I did rest a lot. I had to.

I know that my plans are temporal and not written in stone. They can be easily changed and many times they are changed.

In contrast, the plans of God are permanent and will last forever. His plans revolve around Jesus—His birth, death, and resurrection. His shed blood on the cross and His resurrected life give us

hope for a future.

The Good News of Jesus has been passed down through many generations and it is still vibrant and powerful to those who hear it, even today.

I am feeling better now and hoping to move forward. I am again making plans for the next months, but I am leaving the plans in the hands of Jesus. He will determine if they happen or not.

I pray that as you make your plans, that Jesus is at the center of your thinking because His plans will be accomplished and they will last forever.
